PRODUCTS OVERVIEW 

---

# Made in ITALY PERFORMING everywhere.

Movex® is a dynamic company driven by the ambition to design and manufacture conveying and material handling technology of the highest quality. We combine superior technical performance and design to provide customers with innovative solutions and impeccable service.

At our Italian headquarters, we design and manufacture standard and customized products and solutions to meet customers' needs in a dynamic and proactive environment.

Movex® follows every single customer from the project to installation, guaranteeing full support. With more than 30 technical sales representatives worldwide, we offer global support directly on-site, via video conference or by phone. Thanks to worldwide warehousing, we are able to provide short lead times and, in the event of the need for faster delivery times, our Priority Service, offering delivery in 1/2 working days, is always available.

**Movex®, experience the difference.**

## MISSION

To forge our values through the development of ideas and high standards, and to professionally support our partners with flexibility and efficiency.

## VISION

To achieving strong market leadership, while constantly remaining up to date. To plan our future while remaining faithful to our history and values.

## Priority service

**Even faster and responsive,  
when you need it.**

## MODULAR BELTS

# Movex Blueline®

MODULAR BELTS SELECTION

Movex® has developed an exceptional series of modular belts tailored precisely to your sector's specific needs.

With a wide variety of surface types including flat top, flush grid, cone top, nub top, perforated top, non-slip, and diamond-top, our belts ensure optimal performance for your specific applications. But that's not all.

Our extensive range of accessories, from non-stick and flat flights to straight and curved tracks, along with sidewalls, guarantees seamless integration and enhanced functionality. At Movex®, we guarantee complete interchangeability with major food belt producers, providing you with unparalleled versatility and flexibility. Plus, our specialty lies in crafting custom products tailored to your unique needs, with the added advantage of short lead times.

Explore Movex's innovative solutions and experience the difference firsthand!
